IPA Committee in Health Presents:

Understanding the World of the Self-Destructive Adolescent

October 31st, 2026

8 AM EST / 8 PM CST / 12PM GMT

PRESENTERS

Donald Campbell (UK)
Ying Xue (China)

DISCUSSANTS

XiuBing Wang (USA/China)
Sun Ju Chung (South Korea)

CHAIR

Karen Proner (Chair)

There has been an increase in adolescent self-destructive behavior and, in some countries of the world, an epidemic of cutting, self-harm, and adolescent suicide. This webinar looks to examine adolescents by two child psychoanalysts, whose voices are difficult to hear and challenge the psychoanalytic frame. This webinar will look at different analysts' approaches to this very important work.
